FIRST QUARTER
JANUARY 2020

Happy New Year!

FARMERS UNION
INSURANCE AGENCY

Trusted. Local. Committed.

Greetings,

May this year bring you new happiness, new goals, new achievements and lots of new inspirations in your life. The Joe McCollum Agency is gearing up for another new year. We hope to excel in our service to you, to grow as an agency, and as individuals too!

Joe is bringing in the new year with a fuzzy new friend. Amy (Joe's wife) finally got him to agree to a new kitten. Joe enjoyed some hunting time this Fall. He volunteered at the North America Ice Fishing Championship Tournament on Bass Lake in December.

Jess passed her state licensing exam for property and casualty insurance on November 16. This will allow her to expand her roles within the agency. Jess and her family took a trip to Arizona for Christmas to visit her parents and met up with her sisters and their families too. We are both looking forward to some ice fishing and the upcoming winter events.

MN Farmers Union Insurance Agency has had a few changes with the new year. The MN Farmers Union President & General Manager, Rodney Allebach has decided to retire, as well as, our MN Commercial Marketer, Kathleen Zehm. We will miss them and always remember the great impact they had on our organization. However, we are excited to announce our former District Manager, Josh Vickerman is now the new MN Farmers Union President & General Manger. We have worked very closely with Josh for the past several years, so we know we are in very good hands and excited for the future within our company. Our state office is a huge support system for us, they help our agency in numerous ways including education, resource management, and so much more!
